

Entrance Mat

High quality door and entrance mats. A carpet by the door is both welcoming and contributes to the indoor climate. The rugs have great absorption capacity and can withstand tough conditions. Available in the following standard widths (cm): 60/85/100/115/150/200 cm. The length is optional up to 600cm.

Budget: Height from the floor about 10 mm. Back is in PVC, none edge. Washable, but the drying time is long. Minimum volume 25 m².

Premium: 900 grams high twisted Nylon. Back and edging in cured Nitrile rubber. Height about 11 mm from floor. Washable and resistant to tumbling.
