

## Fabric Banners

PVC-free banners made of polyester fabric. Hang a message from the ceiling or attach to the wall.

We offer several different materials with specific properties that fulfill various requirements. Everything from decorating a whole exhibition wall to ceiling hung options. Or even parade flags!

Here are the most common materials we produce:

**Polyester**, approx 110 g. A thinner material best suited for shorter promotions and events.

**Polyester**, approx 205 g. More durable and longer life. Suitable also for outdoor use.

*Fire retardant B1*

*High print quality*

*Custom shapes*
