

Round Up S10

Smart and portable podium solution. Only three parts! One top plate (gray or black), one bottom plate (gray or black), and one graphic which acts as the structure between the plates. By adding a middle plate, you can stack several graphics to build a tower with Round Up. Ships in one nylon bag for the top and bottom plates and a separate bag for the graphic panels.

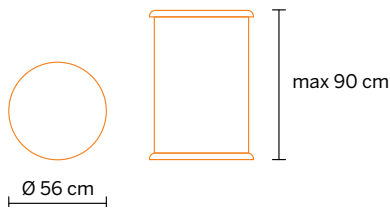

Covered by Spennare's Lifetime Warranty.

360 degree image exposure

Easy setup

Create multi-level column

- Weight** 5 kg
