

A perfect and convenient way to inform people to keep distance and an efficient way to spread information.

Printed floor decals

Round | Square | Rectangular

DOT PRINT'N'WALK are specially developed to serve as floor decals but can be used on many other smooth surfaces.

DOT PRINT'N'WALK is a foil that anyone can mount.

- Easy to mount, no air bubbles.
- Can be removed and remounted many times.
- The material is R9 certified non-slip protection.
- Does not leave any marks or glue marks after removal.
- Easy to mount, anyone can do it!

DOT PRINT'N'WALK works as follows

DOT PRINT'N'WALK is a self adhesive foil made with a specially developed "dotted glue". The dots create small channels of air that makes the product so easy to mount. If mounted incorrectly or at the wrong spot - just remove and remount it easily.

DOT PRINT'N'WALK does not leave any marks when removed.

Order more than 100 pieces of below sizes or order your own choices of size.

Request an inquiry/offer if your're interested in buying more than 100 pcs or if you want to order decals in another size than the below listed sizes (see price chart).
