

Printed floor decal

Round | Square | Rectangular

DOT Print'n'Walk are specially developed to serve as floor decals but can be used on many other smooth surfaces.

Dot print'n'walk is a foil that anyone can mount.

- Easy to mount, no air bubbles.
- Can be removed and remounted many times.
- The material is R9 certified non-slip protection.
- Does not leave any marks or glue marks after removal.
- Easy to mount, anyone can do it!

DOT Print'n'Walk works as follows

DOT Print'n'Walk is a self adhesive foil made with a specially developed "dotted glue". The dots create small channels of air that makes the product so easy to mount. If mount. If mounted incorrectly or at the wrong spot - just remove and remount it easily.

DOT Print'n'Walk does not leave any marks when removed.

Order more than 100 pieces of below sizes or order your own choices of size.
